PROFESSIONAL EXPERIENCE

2023 - 2024 Zentiva, k.s.

IT Trainee

Managed incoming tickets in the Zeus system, primarily focusing on serialization, as well as the creation and oversight of master data within IT systems.

2023 - 2024 Accenture Central Europe B.V.

Technology Internship - Business Analyst

Contributed as a member of the financial services team, specializing in translation and documentation for core insurance system implementations.

2022 - 2023 AQUA HEALTH, s.r.o.

Administrative Assistant

Performed Windows installations, basic PC network setups, minor hardware maintenance, and provided general administrative support.

SKILLS

Language Skills: Slovak, Czech, English (C1), German (B1)

Technical Skills: Python, Flask, API, Java, JavaScript, SQL, UML, HTML, CSS, Bootstrap, and MS Office (Word, Excel, PowerPoint)

ADDITIONAL INTERESTS AND COMPETENCIES

I have a keen interest in fine arts, calligraphy, and music (piano). These interests, combined with my technical knowledge, foster both my creative and analytical sides, essential for a balanced approach in my work and personal development.

Blink if you want me.
